Presidents Report

- Thank you to everyone who helped with the Pop-up, it is a well organized event. Over the 3 Pop-ups it seems as though we have raised approximately \$10,000, more than originally thought when this school year started. Huge thank you to Debbie and Krista's daughters for a job well done again.
- Concessions stand has a few cases of water, wished they were there to open stand for Friday night football game. There are items in the concessions stand that are from the cross country team. It is ok with the items there, just don't want the team/s to forget the items are there.
- Laura M is in the process of getting the license plate for the trailer. The trailer is in working order with no brake or light problems.
