- Fall season was a great success. Trying to figure out how to honor those players and teams.

- Winter: Boys swim dive; girls bowling and gymnastics; cheer and dance-They will try to do the best they can streaming the events.
- Basketball decision hasn't been made yet. Statement coming out tomorrow from the District.
- 120 schools contacted IHSA as of last Friday that said they aren't playing basketball. Bball went from medium to high risk; IHSA put it in the hands of the districts to decide what they wanted to do. Lots of possibilities.
- National Letter of Intent: those who have committed early will be brought in one at a time Wednesday. Just basically a photo op and created a certificate for each of the 14 athletes.
