Presidents Report

Treasures Report

- Financials: Financials for January were distributed. \$70000 in cash; \$48000 inventory
- Our CPA recommended that we reserve \$10K for obsolete inventory in 2019-2020. I adjusted the June 2020 results and I'll send out updated financials later this week. If you look at the balance sheet, you'll see the reserve offsetting the Wildcat Wear inventory. They also want us to calculate a more accurate cost of goods sold each month, so I'm hoping we can complete a physical inventory before future WCW sales. John said to push back on that request

Branden

Athletic Director

- Sports competitions started last week; so far, so good. Coaches and kids have been great.
- Trying to move forward with a few things, such as possibly having some spectators.
- Trying to maintain equity among the programs.
- Looking at honoring Seniors in some way.
- Utilizing a new website - neuquaathletics.net
- No concessions at this point. Possibly when we get back outside, we may be able to offer concessions.
