Treasures Report

- Financials: Financials for February were distributed.
- CPA sent a draft of the returns. Some questions so she will try and answer or reach out if she has questions from us.
- Also distributed were wishlist updates

Branden

Athletic Director

- First sessions back starting to finish up.
- Now moving into Boy's soccer, Girl's volleyball and football. Water Polo starting up shortly. The rest will start up after Spring Break.
- Today's IHSA info, outdoor spectators now at 20% of the venue. Will start to put a plan together. A lot more to come. Good news!
- Concessions is on the docket to be discussed. Nothing has been finalized. He is pushing for it.
- They will need support from the principals. Getting district approvals necessary. Hopefully this or next week.
- Indoor spectators still 50 per facility.
- Volunteer parents were great help to stream the events. Network in the building is poor so they have to use a hotspot to keep it running thru a total contest.
- No opponent spectators allowed in the facilities.
- Outdoor first focus is families, student body then if we can add opponents in that would be great.

Concessions:

Maria

Volunteers:

- Several passed on to Tracy who were interested in Board Membership

Debbie / **Krista**

Wildcat Wear:

- Been working on inventory. It's been a bit of a task. The comparison to square has caused some difficulties. Work in progress. Possibly going to get Courtney into the store with them to help. Bear with them. They will get thru it.

Brenda

Scholarship:

- 15 in already. Tonight is the deadline at midnight.
- Some of the Guidance counselors would not give recommendations to some of our students athletes. This is due to too much parental involvement.
- She needs an updated membership list.

Tracy

Fundraising:

- Fundraising - Have / had 2 dates scheduled March 13 ACT & 20 SAT for \$20 per test. C2 send google registration but we are having a problem on how to connect the form and square. I did get the ok to run it through our system like for class t-shirts, etc. My problem is that we are so close to the dates that it is not going to be worth it. Asked for a combined date of March 20 to offer both ACT & SAT it was approved through C2. John suggests we pull out at this point.

- Facebook - Senior posts are going great, would love to continue but need more submissions. Maybe once the seasons get going we will get a few more.
- I have been in contact with Cari Mohler about getting on the board and we are playing phone tag! I will get her to commit to some board position!
